

Western Ontario Team Cattle Penning Association

Team Cattle Penning is a popular family-oriented sport that involves all ages of competitors. This equine sport evolved from ranch practices where cowboys rounded up cattle to be moved from ranch to ranch, to be treated for illness or to be branded. Since then, that ranch duty has been adapted and a popular sport has been created which has been in Western Ontario for around 30 years. This sport encourages healthy competition, family fun and creates lifelong friendships among members new and old.

The Western Ontario Team Cattle Penning Association is seeking sponsors for 2025 to aid in continuing to grow this popular sport. A huge thank you goes out to our very generous supporters in 2024, Because of you, our association was very fortunate enough to have a very successful season! It is through your generous support that we can continue to operate and promote the family sport of Team Penning which draws many spectators to our events, and promotes the businesses of our sponsors.

For new and returning sponsors:

Hi!

My name is Rachel van Stuyvenberg, and I have been the sponsor coordinator for the past eight years, a competitor for thirteen years, and the Secretary for the past six years with The Western Ontario Team Cattle Penning Association. I just wanted to reach out to all new and returning sponsors and ask that if you decide to sponsor our association for the 2025 season, I would greatly appreciate it if you could e-mail me the following things:

- An updated/most recent version of your company's logo (for signs, calendars and flyers).
- A contact name and phone number/e-mail in case of questions and events.

I also wanted to thank all of our sponsors who did support our association during the 2024 season. We were able to have a safe and fun season because of all of you!
